BEHAVIOR CONTRACT

RELEASE FORM

It is very important that all participants know what is expected of them and how they will conduct themselves.

Participants may experience many difficult situations or participate in a wide variety of activities that may be somewhat stressful, such as being cold, hot, wet, tired, or even irritated with themselves or other group members. These stresses will be good to experience since they resemble real life situations in which we all must learn to successfully cope. All participants will be required to share in camp responsibilities. These include cleaning up, taking care of themselves and others, and cooperating with leaders to help the group attain their goals for their activities. Participants must also respect the rules and procedures set by the Riverside Parks & Recreation Department for the protection of the individual, group, and the environment.

Individuals who violate the established rules will be disciplined or sent home dependent upon severity. The program leaders will evaluate violations on an individual basis.

We, *(participant)* and *(parent)*, have read the above thoroughly and understand what behaviors are expected at the Riverside Parks and Recreation Summer Day Camps. I realize that if I violate the established rules, I will be disqualified from further participation without refund. I will do my best to follow all rules to make camp a success for myself and others.
