

Vehicle Sticker Ordinance

- All vehicles that are housed in Riverside or registered to a Riverside address must have a vehicle sticker - even antiques.
- New vehicle stickers are required to be purchased and placed in vehicle within 30 days of 1) purchase of a new vehicle, or 2) move in to the Village.
- Residents are responsible to purchase an annual vehicle sticker for each vehicle, even if they have not received a renewal application.
- Vehicle sticker year: Stickers must be purchased and displayed before July 1 of each year. The sticker remains valid until the following June 30.
- Late fee for vehicle stickers is \$10.00 per month and are assessed after July 1 and the first of each month throughout the sticker year.
- Discounted fees are available for new vehicles purchased (or move-in) after January 1 of each year.
- Proof may be required to establish move-in date (such as a lease). If it is more than 30 days since move-in, you must provide proof of vehicle purchase date (bill of sale) to avoid late fees.
- Transfers are available for \$5.00.
